<input type="checkbox"/> The Kentucky Division of Water is issuing you a one time temporary _____ variance due to _____ at this site. This variance is for the approval of _____ for wells installed at _____ Please include a copy of this variance request along with the records that you submit.			
SEALING MATERIALS REQUIRED FOR PLUGGING		ADDITIONAL REQUIREMENTS	
Type: _____		Sketch map <u>must be provided.</u>	
THIS VARIANCE IS NOT VALID UNLESS SIGNED BY THE CERTIFIED WELL DRILLER AND THE WELL OWNER			
DRILLER AFFIRMATION		WELL OWNER AFFIRMATION	
I, the undersigned, agree to construct the above described well in accordance with all water well construction practices and standards established by the Kentucky Environmental and Public Protection Cabinet and in accordance with those conditions described in this variance request. I will be held financially responsible for remedial measures for this well if I fail to construct the well in compliance with the conditions established in this variance request.		I, the undersigned, understand the above described well is not in compliance with the water well construction practices and standards established by the Kentucky Environmental and Public Protection Cabinet. I acknowledge that the driller has requested a variance to allow the well to be constructed according to the conditions described in this variance request. By signing below, I give my permission for the well to be constructed as described above. If this variance well is constructed to the specifications of this variance and results in degradation of groundwater quality, I will be financially responsible for remedial measures for this well, including plugging, if necessary.
